TOWN OF FARMINGTON
Application Permit to make excavation or fill
or to install a Drive-way/Culvert on a Town Road

Section 86.07(2) Wi Stat's requires that "No person shall make any excavation or fill or install any culvert in any highway without a permit from the highway authority maintaining the highway".

The undersigned requests a permit for the purpose of: _Drive-way/Culvert_____

located at fire #_____

_____in township Section number_____

Approximate date when excavation or culvert **(Steel Culvert only)** for driveway is needed by_____, 20___.

Before the Town board takes any action on this application an investigation and field inspection will be made by a representative of the Town Board.

Any person(s) installing a non-approved driveway culvert may be subject to removal by the Farmington Town Board.

The Town does not permit concrete in the highway right-of-way. When paving a drive-way we require that the concrete stop at the R/W and the landowner either asphalt the area between the highway pavement and the concrete, or leave it in gravel.

Any person(s) installing a concrete drive-way in the Town's R/W is subject to removal at their cost.
