Including portions of Outagamie (Wards 1 & 2, City of New London) and Shawano (Ward 4-6, City of Marion) Counties

OFFICE OF THE WAUPACA COUNTY CLERK TO THE VOTERS OF WAUPACA COUNTY

Notice is hereby given of a spring election to be held in Waupaca County, on April 2, 2019, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in these offices, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum in the sample ballot below.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where Paper Ballots are Used

The voter shall make a mark (X) in the square next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall make a mark (X) in the square next to "yes" if in favor of the question, or the voter shall make a mark (X) in the square next to "no" if opposed to the question.

Where Optical Scan Voting is Used

The voter shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote and fill in the oval or connect the arrow next to the write-in line. On referendum questions, the voter shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

Where Touch Screen Voting is Used

The voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If the voter spoils a **paper or optical scan** ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

The voter may spoil a **touch screen** ballot at the voting station before the ballot is cast.

After Voting the Ballot

After an official **paper** ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall leave the booth, deposit the ballot in the ballot box, or deliver the ballot to an inspector for deposit, and shall leave the polling place promptly.

After an official **optical scan** ballot is marked, it shall be inserted in the security sleeve, so the marks do not show. After casting his or her vote, the voter shall leave the booth, insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit.

After an official **touch screen** ballot is cast, the voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

The following is a sample of the official ballot:

NOTICE IS HEREBY GIVEN, that at an election to be held in the School District of Manawa on April 2, 2019, the following proposed Initial Resolution of the School Board will be submitted to a vote of the people:

INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION BONDS IN AN AMOUNT NOT TO EXCEED
\$3,500,000

BE IT RESOLVED by the School Board of the School District of Manawa, Waupaca County, Wisconsin that there shall be issued pursuant to Chapter 67 of the Wisconsin Statutes, general obligation bonds in an amount not to exceed \$3,500,000 for the public purpose of paying the cost of constructing a two-court gymnasium addition and expanding the fitness center addition at the Jr./Sr. High School, and acquiring related equipment.

The question will appear on the ballot as follows:

"Shall the School District of Manawa, Waupaca County, Wisconsin be authorized to issue pursuant to Chapter 67 of the Wisconsin Statutes, general obligation bonds in an amount not to exceed \$3,500,000 for the public purpose of paying the cost of constructing a two-court gymnasium addition and expanding the fitness center addition at the Jr./Sr. High School, and acquiring related equipment?"

EXPLANATORY STATEMENT AND EFFECT OF VOTE

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to approve the borrowing of \$3,500,000 by the School District of Manawa through the issuance of general obligation bonds for the purpose of paying the cost of constructing a two-court gymnasium addition and expanding the fitness center addition at the Jr./Sr. High School, and acquiring related equipment.

A "no" vote on the question is a vote to deny the School District of Manawa the authority to borrow \$3,500,000 through the issuance of general obligation bonds for the purpose of paying the cost of constructing a two-court gymnasium addition and expanding the fitness center addition at the Jr./Sr. High School, and acquiring related equipment.

In the event a majority of the electors voting on the question vote "yes", the District will be authorized to undertake the school building program described in the question and borrow not in excess of \$3,500,000 therefor; if a majority vote "no" on the question set forth above, the District will not be so authorized.
